

CALFED
BAY-DELTA
PROGRAM

Public Comment

Date September 21, 1999

The CALFED Bay-Delta Program welcomes your participation. Please use the space below for your written comments (attach additional sheets if necessary).

Comments:

We have no control over evolution. We do however have control over our own
existence. Water supply and demand is the only issue. Without enough water
(storage) to supply the demand, problems will occur. EXAMPLE: A rubber band
and water; when you stretch each one too far, you have a major occurrence.
This occurrence will impact everything we are trying to protect equally.
God help us all when this phenomenon occurs.....

Name: Frank Reimann

Organization: Reimann Ranch Inc.

Address: P.O. Box 278

Orland, Ca. 95963

Phone: 530/934/5691 Fax: 530/934/7147
